

As the Mississippi Health Care Association prepares to celebrate its 65th year as Mississippi's oldest and largest association of nursing homes, personal care homes, assisted living facilities and intermediate care facilities for individuals with intellectual disabilities, we would like to seek your assistance in spotlighting some of our notable residents during 2018. The MHCA membership provides care to approximately 17,000 patients and residents annually. Although all of our residents hold a special place in our hearts, there are some who have lived truly pioneering, innovative, and impactful lives. As a tribute to them, we request you to share some of their stories with us.

The theme for the MHCA 2018 Convention and Trade show is "Past, Present, and Future - Enriching Lives for 65 Years." In keeping with this theme, MHCA would like to showcase the biographies of some of our amazing residents in a tribute to "An Enriched Life." This recognition program will honor residents with historically significant backgrounds, unique or interesting accomplishments, or service to their community, profession, or country at the MHCA Convention and other events throughout the coming year.

Please take the time to share the story of one of your residents that exemplifies "An Enriched Life." Nominations should be made using the attached Nomination Form.

Nominations can be mailed to:
