Mississippi Health Care Foundation
Policy re: Lost/Broken Items

The Mississippi Health Care Foundation receives frequent requests to replace items that are lost or broken in the nursing home. It is the general policy of the Foundation that the replacement of lost/broken items is the responsibility of the facility. If the facility can provide information that it is not in a position to replace the lost/broken item, and if the resident's quality of life will be reduced because of this, the Foundation will accept a request to replace the item. For items less than $2,000, the request must be approved by 4 of the 5 Review Committee members and for items over $2,000, the request must be approved by 8 of the 9 Board members.

If the item was purchased by the Foundation and lost or broken within 12 months of the date or purchase, the Foundation will not consider replacing the item. If it has been more than 12 months, the policy in the above paragraph will be applies.
