

*The Mississippi Health Care
Foundation*

*would like to recognize our
Residents who have reached the
milestone of a birthday of a
100 years or more.*

*Help us do this by notifying us two
weeks in advance of the birthday.*

*Provide us with the resident's name
and date of birth. We will then help
the facility and resident celebrate
this very special occasion by sending
the resident a birthday card and
balloon bouquet.*
