

MISSISSIPPI HEALTH CARE
FOUNDATION

*Helping enhance the quality of life
for nursing home residents.*

Giving even a little can mean so much to those in need.

To help provide financial assistance and support for our state's nursing home residents, the Mississippi Health Care Association created a Foundation. The Foundation helps bridge the gap between the quality of care provided in nursing home facilities and those special emotional and physical needs not covered by insurance policies.

With special outings and events organized to fulfill life-long dreams of nursing home residents, the Foundation is truly making a positive difference. The Foundation also awards educational scholarships to long-term health care staff members.

We need your help so that we can help nursing home residents even more.

By joining the Mississippi Health Care Foundation today, you can enhance the quality of life for long-term care residents in our state.

The Mississippi Health Care Foundation is a non-profit, 501(c)(3) charitable organization and contributions may be tax deductible.

Your support will help us in our mission to:

- ♥ Purchase medical and personal supplies, such as eyeglasses, dentures, shoes, clothing, and other medical and personal-related needs not provided by Medicaid, Medicare or other sources.
- ♥ Fulfill life-long dreams by organizing special events and outings for nursing home residents to make lasting memories.
- ♥ Award scholarships for continuing education in long-term health care fields including nursing, social work and therapeutic activities.
- ♥ Raise positive community awareness about the services provided in long-term health care facilities.

YES, I would like to support the work of the Mississippi Health Care Foundation.

I am pledging my support in the amount of
