

## **PATIENT DRIVEN PAYMENT MODEL (PDPM) UPDATE**

**Presented by Robin Hillier, CPA, STNA, LNHA, RAC-MT**

**Thursday, February 24, 2022**

**1:00 - 2:30 p.m. CST**

CMS implemented the new Patient Driven Payment Model (PDPM) effective October 1, 2019. SNFs had only a few months before the COVID-19 pandemic hit and turned their attention away from mastering the new payment model to the clinical challenges and ever-changing regulations posed by the pandemic. This session will provide an overview of the PDPM methodology along with tips for providers regarding the most common areas for opportunity. This session will also discuss what changes could be coming as CMS continues to monitor the implementation for budget neutrality.
