

The Common Sense Approach to the Comprehensive Care Plan

Presented by Cat Selman
Educator, Motivator, Communicator, Author
President and Co-owner of The Healthcare Communicators, Inc.

MHCA Auditorium
Thursday, August 25, 2022
8:30 - 4:00 p.m. CST

Care planning is an essential part of healthcare and this educational offering will give participants an overview of the comprehensive care plan process, as well as specific details regarding person-centered, individualized care planning.

Participants will be able to identify federal requirements, surveyors' expectations and specific care issues as they relate to the care plan process. Care team members will learn how each discipline can truly assist in the development of a resident-centered care plan that is designed to meet specific care/medical issues, as well as help the resident attain or maintain their highest practicable psychosocial well-being.
