LTC TREND TRACKER TRAINING

Presented by AHCA Trend Tracker & Quality Team

January 31, 2023 1:00 - 2:30 pm

LTC Trend Tracker is a web-based tool that enables long term care providers to access key information that can help their organization succeed with quality improvement efforts. This training will include a review of the LTC Trend Tracker tool with a live demonstration of the system data and reports available to your team. Learn how this one stop tool will give you access to timely information and valuable insight about your own quality improvement efforts and compared to your peers.

IMPORTANT INFORMATION

- Each licensee (NHA) **MUST** register separately and will receive an individual webinar link. Links should **NOT** be shared with others.
- Only **ONE** licensee (NHA) per registration and login will have CEUs reported.
