

Survey Prep & Understanding Post-Survey Elements

This intensive 8-week workshop series establishes department specific expectations and provides the insights key staff members need to understand the survey process, ensure collective survey preparedness, and overcome deficiencies.

Whether you are new to the LTC Survey process, seeking to refresh staff skills or taking action to reset after less than optimal past health inspection outcomes, this training is for you.

***Webinar Series Sessions will be each Wednesday at 1:30 p.m.
March 20th – May 8th, 2024***

Register for the FULL 8 session series and SAVE \$140

OR

Register for the individual sessions that would benefit your team.

Recordings will be available to the registrant following each webinar.

IMPORTANT INFORMATION

- Each Registrant (NHA) must register separately in order to receive a personalized login link to the webinar. Only ONE licensee (NHA) per registration and login link will have CEUs reported.
- This program is approved for Continuing Education for 1.0 total participant hours per session by NAB/NCERS approval.
 - CEs will not be reported for attendance by phone or viewing a recording.
- Proactive will report CEs to NAB within one week after each session. NHAs must download each CE Certificate from NAB Registry & submit to MS Board of NHAs for CE credit. MHCA does not provide certificates for NHA continuing education.
- Other facility staff may request a certificate of attendance for the webinar series if they registered separately, attended the FULL webinar series AND submits an email request for the series and the Sign In for each of the 8 weekly sessions.
- Handouts & Sign In sheets will be sent prior to each webinar session.
